NEWS

KAPWEINE AT #1 WITH SOUTH AFRICAN WINES & #54 AMONG THE LARGEST SWISS WINE MERCHANTS

When it comes to South African wines, KapWeine is the largest and most exclusive supplier in the Swiss market. With over 100 wineries and over 1300 wines in the assortment, one has the most diverse selection in this country. Considering that 91% of all wine imports in 2020 were handled by the 100 largest retailers, Kapweine is clearly one of the up-and-comers. And this with a growth +18%, from #82 (2019), to #57 (2020) and to #54 (2021). This shows us that the acceptance and sympathy for South Africa has clearly grown among wine fans.
