## Foreword

'Change is the only constant in life', a phrase coined by ancients and evermore glaring in the turbulence of our present life experience. Change is mostly uncomfortable, though without it there can be no progression. For 11 000 years, the journey and diversity of the grapevine has closely correlated with that of human migration, adapting and evolving to become the most diverse crop that we cultivate by far.

We loved and cared for this wonderful fruit - so much so that we gave names to grape varieties far earlier than any other crop. It was change that provided the opportunity and it was our choice to progress with it. As winemakers and vine growers in our world today, we face a deluge of challenges and change. None as daunting to our stability than climate change. It is now our choice to change our perspective and choose progression.

The founding members of the Cape Winemakers Guild recognized the changing scope of the South African wine industry in the early 1980s, having the insight to forge an entirely new path for fine wine. They brought new grape varieties to the fold, tried new techniques and began to measure themselves against the prestigious wines of the world. Through collaboration and curiosity, they set the foundations that would ignite the creativity and ambition of the industry in the decades to come. Over the years the Guild has seen all these founders step back for the next generation to take up the challenge and shape their own path. Today the Guild is transcendent from those founding days, stronger in number and diversity of talent. The depth and integrity of South African fine wine is increasingly acclaimed throughout the world and the appetite for breaking glass ceilings seems boundless.

I have been privileged to share this journey with my friends and colleagues as we shift gears in this flourishing era of South African wine. I thank you all for your patronage at this year's Nedbank Cape Winemakers Guild Auction, and for your support of our Protégé Programme that is shaping the next generation of pioneers in their journey.

Change is constant, 'if the rhythm of the drum beat changes, we must adapt our step' (African proverb).

Gordon Newton Johnson

## Masters Of Their Craft

Established in 1982, the Cape Winemakers Guild is a collective of some of South Africa's greatest winemakers. These 40 winemakers have been recognised as excelling at their craft by their peers within the Guild. Membership of the Guild is by invitation only and is extended to winemakers who have been responsible for the production of wines of excellence for a minimum of five years and who show promise of not only consistently exceeding industry standards, but also promoting the values of the Guild.

Over the last 41 years, the Guild's winemakers have demonstrated a commitment to developing the local wine industry, through innovative practices and the sharing of knowledge. The Guild and its members are investing in the future of winemaking by nurturing young winemaking talent through the Nedbank Cape Winemakers Guild Development Trust and and the CWG Protégé Programme.

The CWG meets regularly as a technical tasting group, providing its members with an opportunity to evaluate wines from around the world and to share their knowledge and ideas - ensuring that CWG members remain leaders in the art and science of winemaking.

## The Nedbank Cape Winemakers Guild Development Trust

Being recognised as industry leaders also kindles responsibility for promoting quality through continuous learning and education, and as a result, the CWG is the first organisation in South Africa to create a foundation for diversity and inclusivity in the South African wine industry.

Since the formation of the Guild's Development Trust in 1999, it has been a part of the Guild's journey to support meaningful transformation in the wine industry. Through this Trust, the CWG empowers farm employees through further education and contributes towards transformation by way of its Protégé Programme.

The projects are wholly funded by CWG Charity Auctions, donations by corporate sponsor Nedbank and donations from outside organisations. To support the Protégé Programme, please participate in the Online Protégé Programme Auction, running from Monday 25 September to Monday 9 October closing from 18:00 at www.straussart.co.za.

## Protégé Programme

Since the inception of the Protégé Programme in 2006, 34 Protégés have completed the three-year internship and 7 are currently participating in this ongoing programme. Of those who have graduated, 18 now either hold leading winemaking roles or have their own winemaking projects.

The CWG has become a unique institution in the way all 40 members remain involved in this uplifting initiative, providing mentorship to ensure that both the industry standards and the values of the CWG exceeds all expectations and are maintained by new talent and the future policymakers.

## Billy Hofmeyr Agri Seta Bursary

The Guild has been able to provide 48 bursaries for promising final year students at Elsenburg College and Stellenbosch University between 2009 and 2023. The aim is to identify potential Protégés and encourage the bursary students to apply for the Protégé Programme when they graduate.

## Wine Training South Africa

From 2014, the Guild has financially supported Wine Training South Africa so that they could have their courses SETA accredited. A total of 3776 employees within the wine industry have participated in the numerous courses offered by Wine Training South Africa between 2015 and 2022 alone.

## De Trafford

#### Glenrosa Syrah 2021

100% Syrah Wine of Origin Stellenbosch

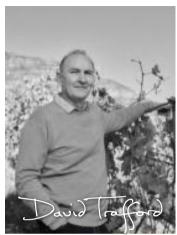

#### Winemaker David Trafford

- A tiny pocket of stony Glenrosa soil in the middle of our Elevation 393 vineyard was identified and vinified separately to produce only one and a half barrels.
- Just one 225 litre barrel was bottled for this auction wine.
- Only the fourth Syrah I've selected for the auction following Syrah 1999, 2009 and Sijnn Syrah 2011.
- 2021 is possibly the best vintage I've had the privilege of working with.

**Tasting Notes:** Bright, medium-deep red colour. Pronounced spiciness and red berry fruit on the nose. Fine red fruit and spices on the palate with a unique creamy texture and long finish.

Ready for drinking from 2024 to 2033.

- 69% of the blend is barrel fermented to enhance richness and complexity.
- The wine spent 53 months on the lees accentuating finesse.

**Tasting Notes:** Big Dog IX is a rich and complex wine, made without compromising finesse and elegance. The nose has enticing roasted almond and marzipan notes from the Chardonnay, and red apple from the Pinot Noir.

For maximum reward and expression, drink from 2026 onwards.

#### Mullineux

#### Swartland "The Gris" Old Vines Sémillon 2022

100% Sémillon Wine of Origin Swartland

#### Winemaker Andrea Mullineux

- Sémillon Gris is considered a South African phenomenon and this wine has gained an international following for its quality and rarity.
- In the mid-1800s, 40% of all vineyards in South Africa were Sémillon Gris, but now only a few exist.
- This vineyard was planted in 1960 on the granite slopes of the Paardeberg.
- We took cuttings from this vineyard and spent 10 years repropagating them through a nursery, and have replanted the country's first official, legally recognized Sémillon Gris on our regenerative organically farmed vineyard, Roundstone.

"O siyeza, o siyeza, sizofika webaba noma O siyeza, o siyeza, siyagudla lomhlaba Siyawela ngapheshaya kulezontaba ezimnyama Lapha sobheka phansi konke ukuhlupheka"

This wine represents a transition from the past to the future, as does the metaphor of transformation represented in the lyrics of Johnny Clegg & Savuka's powerful "O Siyeza".

- Striving for authenticity with a natural winemaking approach (no added yeast, enzymes, bentonite or SO2 until bottling).
- Only the best quality (first) juice fraction is used from the whole bunch press.
- The vineyard is approaching a mature age of 15 years.
- Made for ageing through juice oxidation.

#### Bartho Eksteen Wine Estate

#### Vloekskoot Sauvignon Blanc – Wooded 2022

100% Sauvignon Blanc Wine of Origin Upper Hemel-en-Aarde

#### Winemaker Bartho Eksteen

- This is the most successful Sauvignon Blanc in the CWG Auction history.
- This wooded style was recently praised by Jancis Robinson MW as her favorite WHITE wine from the Hemel-en-Aarde Valley.
- A regular 5-star Platter's winner.
- A regular Tim Atkin MW 95+ award winner.

**Tasting Notes:** Nods towards Pessac-Léognan but has a Cape character all of its own. Flinty, grapefruit, fresh lime, green herb flavours. Focused, with superb intensity. Older oak adds complexity and gravitas.

If you can put away some bottles for a couple of years, you can delay the pleasure and have it back with interest for anything up to six years after harvest.

#### Ataraxia

#### Under the Gavel Chardonnay 2022

100% Chardonnay Wine of Origin Hemel-en-Aarde Ridge

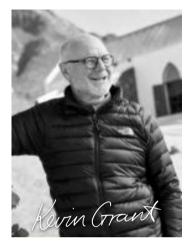

#### Winemaker Kevin Grant

- This single vineyard Chardonnay, made from organically grown grapes, revives a centuries old Burgundian winemaking "black" method.
- It was fermented spontaneously in custom ordered Burgundian barrels and without allowing the secondary malolactic fermentation to occur, which lends an arrestingly vibrant weight to the palate.
- The absence of bâtonnage adds focus and precision.
- The wine was bottled after 11 months of maturation.

**Tasting Notes:** A very individual and accurate articulation of Ataraxia's "dirt", this is a sublime wine which effortlessly balances fruit intensity with mineral acidity. A wine of pedigree and style.

Reading for drinking now until at least 2030.

# Dewaldt Heyns Family Wines

### CWG Shiraz Reserve 2021

100% Shiraz Wine of Origin Tulbagh

#### Winemaker **Dewaldt Heyns**

- This single-barrel CWG Shiraz Reserve is made from block 27, Saronsberg's most prestigious vineyard, rooted in sandstone soils with a high gravel content.
- At an elevation of 275 metres on a gentle eastern-facing slope, with constant air movement and the afternoon shadow of the Saronsberg, this area is markedly cooler than the valley basin below.
- The vines that grow here evoke all the characteristics of this unique origin, producing slow-ripening grapes with elegant fruit and violet floral notes, and delicate hints of the indigenous fynbos on the slopes above.
- Fermented in an open fermenter, using a combination of punch-downs and pump-overs for extraction, and aged in new French oak for 20 months, this wine will reward you with an exquisite drinking experience.

**Tasting Notes:** This single-barrel selection exhibits a compote of rich dark fruit, subtle red berry notes and a seductive blend of violets and spice, followed by a firm, ripe tannin structure.

Ready for drinking in 2030.

### Jonkershoek Cabernet Sauvignon 2019

100% Cabernet Sauvignon Wine of Origin Jonkershoek Valley

#### Winemaker Warren Ellis

- Our signature Cabernet Sauvignon.
- It is a distinctive style with all the hallmarks of the Jonkershoek Valley, known for its balance of elegance and power.
- Single vineyard and small batch, with whole-berry fermentation initiated in a stainless-steel tank.
- Second fill 500 litre barrels were used to mature this wine and it is a pure expression of Cabernet Sauvignon from the Jonkershoek Valley.

**Tasting Notes:** Intense dark colour. The nose shows restraint, with aromas of cassis and cedar, so typical of the Jonkershoek Valley. The palate is nervous and fresh; followed by fine, dense and tight tannins. A wine that is built to last.

Ready for drinking 2025 to 2034.

# **Boplaas Family Vineyards**

### CWG Daniel's Legacy 2021

55% Touriga Nacional, 21% Cabernet Sauvignon, 16% Shiraz, 8% Tinta Barocca Wine of Origin Western Cape

#### Winemaker Carel Nel

- This wine is made in celebration of Oupa Danie's folly of mistakenly planting Tinta Barocca instead of Shiraz, after his sojourn to the Swartland in the early 1970s in an old Chevy El Camino.
- The result set Boplaas on a path of crafting fine fortifieds and Portuguese table wines in the Cape.
- This wine is crafted by blending the finest barrels of Portuguese cultivars with French cultivars originating from low-yielding old vines, and using traditional vinification methods.

**Tasting Notes:** Bright garnet-red wine, black hedgerow fruits, tart cranberry, ripe plum notes, spice and fynbos. This wine only reveals its true underpinnings with time in the glass and tempts one to return for more.

Drink from 2029 onwards.

# Leeu Passant

### Franschhoek Hillside Cabernet Franc 2021

100% Cabernet Franc Wine of Origin Franschhoek

#### Winemaker Andrea Mullineux

- This is the first release of this Cabernet Franc.
- We planted this stok-by-paaltjie single vineyard on the east-facing slopes of Franschhoek when we started Leeu Passant.
- These steep, terraced slopes have a permanent cover crop of multiple fynbos species spanning the ground under the vines.
- Only a single 500 litre barrel was made.

"Belle nuit, ô nuit d'amour Souris à nos ivresses Nuit plus douce que le jour Ô, belle nuit d'amour! Le temps fuit et sans retour Emporte nos tendresses Loin de cet heureux séjour Le temps fuit sans retour" "Bacarolle" by Jacques Offenbach This is the last song I listened to before becoming a Mullineux and beginning my permanent journey in South Africa, and now, this is my first 100% Cabernet Franc that I am sharing with you, a wine that is an accumulation of love.

To enjoy the gorgeous fragrance of this wine, decant if the time it requires in bottle is not an option.

# Neil Ellis Wines Amper Bo Tempranillo 2017

100% Tempranillo Wine of Origin Bottelary

#### Winemaker Warren Ellis

- Tempranillo is old and believed by many to be the wine depicted in the Bacchus mural that serves as proof of wine in ancient Spain, linking Tempranillo to the Phoenician settling of the Iberian Peninsula as far back as 1100 B.C.
- Although it is a medium-bodied wine, it has incredible tannins which give it its incredible ability to age.
- Historically, this was the first single varietal Tempranillo to have been sold on the auction.

**Tasting Notes:** A subtle nose reflecting dark and red cherries, violets, herbs, and tobacco leading into a leathery finish. The palate is dense and complex, packed with dark berries and plum which unfold with great length, freshness and balance, followed by fine, dry, yet smooth tannins.

50 cases of this wine were sold on the 2021 auction.

Optimal drinking now, and for the next 15 years.

## Lot 500: Adi Badenhorst - AA Badenhorst Family Wines

#### A 3 litre bottle of AA Badenhorst Red Blend 2015

This wine is made from small parcels of selected fruit sourced from different vineyards on the Kalmoesfontein farm and neighbouring vineyards. The 2015 vintage exceeded expectations in terms of quality and quantity, with lower yields of around 5 tons per hectare. The wine was made from Shiraz, Cinsault, Tinta Barocca, and Grenache grapes.

The grapes are meticulously sorted in the vineyard, cooled overnight, and then transferred to fermentation vessels. Natural fermentation is initiated through foot stomping, and the tanks are pigeaged twice daily. After six months of skin contact, the wine is pressed into used 4 000 litre casks for a 16-month maturation period. The wine has complex aromas of pepper, liquorice, perfume, and black cherries. The tannins are well-integrated, and the wine finishes with savoury and currant flavours.

This wine is packed in a wooden box.

# Lot 501: Kevin Grant – Ataraxia

#### A 1.5 litre bottle of Ataraxia Pinot Noir 2017

The grapes for this beautiful wine were sorted, destemmed, and gently crushed before undergoing a 22-day cuvaison which included a 10-day pre-fermentation cold soak. Gentle pressing preceded a 10-month ageing period in French oak barrels, where malolactic fermentation was completed.

This is a wine of poise and pedigree. Its luminous hue is beguiling and the complex bouquet of red cherries, pomegranate, forest floor, a touch of new oak spice and a palate that possesses an outstanding focus and tantalizing mid-palate weight is irresistible. It is a wine that holds for one the promise of intriguing conversation and warming company.

This is bottle number 42 out of just 50 produced and is packaged in a wooden box.

### Lot 502: Bartho Eksteen - Bartho Eksteen Wine Estate

The composition of the blend varies depending on the vintage, but it consistently carries a strong influence from the Rhône region, offering a selection of Syrah, Mourvédre, Grenache, and Viognier grapes. This wine represents an exciting and highly sought-after creation, reflecting the dedication and passion of its winemaker.

This wine is packed in a wooden box.

### Lot 503: Sebastian Beaumont - Beaumont Family Wines

#### A 3 litre bottle of Beaumont Family Wines New Baby 2018

Sebastian Beaumont, the winemaker behind this exceptional wine, blended five white varietals from the farm's old vines to create the first vintage in 2015. The wine is a blend of Chenin Blanc planted in 1974 and 1978, Sauvignon Blanc from 1983, Chardonnay and Sémillon from 1997, and Colombar from 1988.

The wine was named "New Baby" after Beaumont wrote the name on the barrels, and the first vintage was born. The 2016 vintage is a little more classic in style, with a precision and complexity of flavour that draws you into the wine. The 2018 vintage is similar in style to the 2016 vintage but has the added dimension of some great phenolic tension. The first vintage was awarded a 5-star rating in the Platter Wine Guide and a 95-point rating from Tim Atkin, as well as being selected as one of his top wines.

This wine is packed in a wooden box.

After fermentation in lagars with manual pigeage, the wine is fortified with wine spirit and aged for two years in large, old French oak barrels before being bottled unfined and unfiltered.

In its youth, this wine is full of tannins and spice, with a full fruit flavour, perfect for pairing with earthy and rustic meat dishes, venison, cheese, charcuterie, tapas, nuts, dried fruits, and green figs. ### Lot 526: Miles Mossop - Miles Mossop Wines

#### A 3 litre bottle and a 1.5 litre bottle of Miles Mossop Wines Max 2019

Miles Mossop Wines Max 2019 is a classic Stellenbosch "Bordeaux Style" red blend of 50% Cabernet Sauvignon, 25% Merlot, 16% Petit Verdot, and 11% Cabernet Franc. It is produced with the utmost attention to detail, from vineyard management to fruit selection, including bunch and berry sorting in the cellar.

The 2019 vintage was exceptional with a cooler, slightly wetter growing season, leading to slow ripening, lower sugar levels, and good acidity.

The resulting wine displays finesse with intense concentration and a lower alcohol content. This will allow it to age well, reaching peak maturity after 15 years from vintage date. Offered in both 1.5 litre and 3 litre bottles, this is a must-have for any collector of South African wines.

These bottles are packed in wooden boxes.

### Lot 527: Andrea Mullineux - Mullineux

#### 3 x 1.5 litre signed bottles of Mullineux Schist Syrah, vintages 2014, 2015 and 2016

MULLINEUX SINGLE TERROIR | SINGULAR WINES FROM A PLACE OF ANCIENT SOILS | Mullineux SCHIST Syrah 2014, 2015, 2016:

The wines in the Single Terroir range truly encapsulate Mullineux's long-term goal of respecting and expressing the unique terroirs of the Swartland. These cuvees are only bottled in the vintages that we believe combine the most classic and consistent expressions of the Swartland with balance and class and they therefore also have phenomenal ageing potential.

The SCHIST Syrah is the most structured Syrah in our Single Terroir range. These very special and characterful grapes grown on the schisty slopes of Kasteelberg or "Castle Mountain", showcase our estate, Roundstone and its tremendous ability to define Syrah grown on these rocky soils. This limits vine size and so the clusters and individual grapes in turn remain smaller with a higher skin to juice ratio, offering denser, more brooding tannins. The typical aromas on the SCHIST Syrah show beautiful hints of Bergamot orange, fragrant dark African violets and nutmeg and the palate is led by well-structured and harmonious, Schist-derived firm tannins with a pure freshness and superb concentration.

### Lot 528: Warren Ellis - Neil Ellis Wines

#### A 3 litre bottle of Neil Ellis Wines Cabernet Sauvignon Jonkershoek Valley 2016

Neil Ellis Cabernet Sauvignon Jonkershoek Valley 2016 is the signature Cabernet Sauvignon of Neil Ellis Wines. Grown on well-established trellised vineyards planted on a southwest-facing mountain with access to supplementary irrigation.

Fermented in stainless steel tanks and completed malolactic fermentation in 100% new French oak barrels, where they spent a further 18 months.

It has an intense dark colour with deep aromas of complex blue and black berries and cedar - typical from Jonkershoek. The palate is fresh and nervous, followed by fine, smooth tannins. Built to last, it benefits from decanting for early drinking.

# Lot 529: Gordon Newton Johnson - Newton Johnson Family Vineyards

A 3 litre bottle of Newton Johnson Family Vineyards Chardonnay 2018

This is a captivating blend of three vineyard sites on the farm, each with a unique exposure to the sun. The granitic slopes and well-drained gravelly soil, mostly quartz, pink feldspar and mica, contribute to the wine's crystalline flavour profile. The south-facing Chardonnay vineyards produce agile wines with nervy acidity, while the north-facing slopes deliver weight without being heavy. The wine is made using a natural approach to winemaking, ensuring a complex array of characters.

In the glass, the wine is luminescent with abundant layers of complex flavour. Ripe citrus and white peach are infused with ornate spices and lime zest. The fleshiness of the wine balances the razor-sharp purity of the granite soil influence, while the brittle crunch in the structure hems in the lush texture. This Chardonnay is compelling and energetic, with a long flavour and clear-cut structure that showcases the versatility of the variety.

### Lot 531: Pierre Wahl - Pierre Wahl

The Rijk's CWG Chenin Blanc Collection, comprising 3 x 750ml bottles of Rijk's CWG Chenin Blanc 2016 and 3 x 750ml bottles of Rijk's CWG Chenin Blanc 2018

Rijk's CWG Chenin Blanc Collection features three bottles each of the 2016 and 2018 vintages.

The 2016 underwent gentle crushing, 100% barrel fermented, and matured for 16 months in French oak barrels. The wine was fermented with natural yeast to showcase the terroir's uniqueness, and no malolactic fermentation was encouraged.

The 2018 Chenin Blanc was harvested by hand from a 14-year-old bush vine vineyard and naturally fermented in new and second fill 300 litre French oak barrels. The wine matured for 14 months before bottling with minimal sulphur addition. Despite the drought in 2018, the wine boasts a powerful yet elegant profile.

The wine features fresh white peach and gooseberry aromas, hints of cracked almonds, and a multi-layered palate with a gentle, lingering finish.

### Lot 532: Bruwer Raats - Raats Family Wines

#### A 1.5 litre bottle of Raats Family Wines Jasper Red Blend 2017

This 1.5 litre bottle of Raats Family Wines Jasper Red Blend 2017 is a structured blend of 53% Cabernet Franc, 36% Malbec, 5% Merlot, 3% Cabernet Sauvignon, and 3% Petit Verdot. The vineyards have an average age of 36 years, with decomposed granite and Table Mountain sandstone soils, yielding 7-8 tons per hectare. The 2017 harvest produced healthy grapes with excellent flavour and colour due to moderate temperatures and a little rain.

Grapes were hand-sorted three times, crushed, and cold soaked on the skins for five days, then fermented and aged for 16 months in French tight grain oak barrels. The wine boasts an intense and complex nose with blackberry, black cherry, bramble, and hints of forest floor, dark chocolate, aniseed, and spicy tobacco. On the palate, blue and black berry dance with focus and concentration, leading to a fine-grained, velvety texture, and a lingering finish with hints of fresh mint, cinnamon, and perfume.

This wine is packed in a gift box.

### Lot 533: Donovan Rall - Rall Wines

# The Rall Collection comprising 3 x 750ml bottles of Noa Chenin Blanc 2021 and 3 x 750ml bottles of Ava Syrah 2021

Noa, the maiden release, showcases a special 2.1 hectare vineyard planted in the 1960s on granite soils. The selected Chenin grapes were harvested earlier, fermented, and aged in a concrete egg, adding texture while maintaining freshness. The resulting wine exhibits tension, fine texture, and vibrant acidity reminiscent of lime.

The Ava Syrah is made from two Schist vineyards around the Riebeeksrivier and the Kasteelberg regions in the Swartland. It is a tiny selection of Syrah on the most extreme and low yielding sites. Fermented with 100% whole bunches and matured in seasoned French oak to truly express the place and soil on which it is grown. Now in its fifth release, this 2021 is one of the freshest, but at the same time, one of the most structured vintages to date. The palate is dense with real fruit intensity and a long savoury finish.

### Lot 534: Duncan Savage - Savage Wines

Lunch and a private wine tasting for six people with Duncan Savage at Savage Wines in Salt River

The successful bidder of this lot will enjoy a delicious lunch and private tasting for six people with Duncan Savage at Savage Wines in Salt River.

## Lot 535: John Loubser - Silverthorn Wines 4 x 1.5 litre bottles of Silverthorn Green Man 2017

Hand-harvested in January 2017 at 19 degrees balling, the grapes underwent whole bunch pressing with a low recovery rate to ensure the extraction of desirable flavours and prevent bitter tannins. Fermentation occurred in a stainless steel tank at 15 degrees Celsius, with a small portion undergoing barrel fermentation for added complexity. The wine went through secondary fermentation in the bottle and spent 61 months ageing on the lees before manual riddling and disgorging.

Limited production of 520 magnums showcases its exclusivity. The wine displays a vibrant green/yellow hue with fine bubbles. Fresh aromas of golden delicious apple, acacia blossom, minerality, and baked brioche emerge on the nose. The palate offers a well-balanced structure, gentle bubbles, and a lingering finish. Overall, the Green Man wine is a meticulously crafted Chardonnay that emphasizes the preservation of natural flavours and a harmonious balance of aromas and textures.

This site-specific Pinot Noir is crafted with personality and character, showcasing the natural approach of careful viticulture and winemaking.

The cool eastern slope in the Hemel-en-Aarde Ridge with Bokkeveld shale soil contributes to the wine's richness and generosity, with black cherry, spice, and a saline undertone. The silky tannins complement the voluptuous dark fruit perfume, and the wine boasts a poise and elegance with spicy notes, characteristic of the cool slope's soil.

### Lot 538: Rianie Strydom - Strydom Family Wines

# Lot 539: JD Pretorius - Warwick Wine Estate A 1.5 litre bottle of Warwick Trilogy 2019

With the 2019 Trilogy, cellarmaster JD Pretorius, crafted a masterpiece consisting of 48% Cabernet Franc, 38% Cabernet Sauvignon, and 14% Merlot. This wine, and all of its vintages, remains one of Warwick's most noteworthy innovations and is seen by many as a true icon birthed from the Cape Winelands, and is respected globally.

The 2019 vintage is a dark crimson wine with a hint of mulberries, cherries, plums, and rich spices, complemented by aromas of blackberries and lavender that fall gracefully on the palate. In other words, if you're not fluent in wine, this is a remarkably complex and delicious bottle of wine. You can enjoy it on its own by the fire or pair it with a special meal.

## Lot 540: Protégé Collection – Kaylin Willscott 6 x 750ml bottles of Entropy Pinotage 2022

100% Pinotage

This wine was made by Kaylin under the mentorship of JD Pretorius whilst she was at Warwick Wine Estate during her second year as a Protégé.

Grapes were harvested by hand from two blocks of Pinotage from the historic Uitkyk Estate. The average age of the vines is approximately 20 years. Two batches of Pinotage - one whole-bunch and the other destemmed - were vinified, pressed and aged separately. Ageing took place in a combination of new and older French oak barrels for 12 months before blending and bottling.

This wine is playful and fruity on the nose with a distinctive carbonic character and fresh raspberry. It has a lighter body and soft tannins to complement the delicate flavours. A touch of oak brings it all together.

## Lot 541: Protégé Collection – Terry-Ann Klink 6 x 750ml bottles of The Zoarranner White Blend 2022

50% Sémillon, 40% Sauvignon Blanc, 10% Viognier

This wine was made by Terry-Ann under the mentorship of Charles Hopkins whilst she was at De Grendel during her second year as a Protégé.

The Sémillon, Sauvignon Blanc and Viognier batches were handpicked at optimal ripeness, using analysis, phenolic ripeness and flavour compositions as decision-making tools. This ensured that each cultivar expressed its own unique characteristics, adding to a balanced and flavour complexed wine.

The grapes were crushed, destemmed, and pressed, with the juice settling at 10°C before inoculation. The Sémillon was fermented in a first-fill French oak barrel and the Viognier and Sauvignon blanc in second-fill French and Romanian oak barrels, respectively. After alcoholic fermentation, the cultivars were blended in a second-fill Romanian oak barrel. The wine was then matured for seven months on its fine lees in the barrel then filtered and bottled.

Pale golden-yellow in colour with a slight olive-green hue. The flavour profile of this blend is delicate and rich, highlighting fruity and floral notes. Aromas of juicy yellow peaches, Turkish apricots, white flowers, and crisp green apple are detected.

An elegant, medium-complex bodied wine with refined fruit and well-integrated acidity. Exquisite palate with a layered finish.

  - 6.4.3 The ullage described in a catalogue by Strauss & Co is based on an inspection conducted by Strauss & Co prior to the sale of wine and such ullage, particularly in the case of older wines, may be subject to variation prior to or after the sale of that wine. Accordingly, the ullage and condition of wine as described in a catalogue is merely provided by Strauss & Co to assist buyers in determining the price of wine and therefore, under no circumstances do Strauss & Co warrant the accuracy of this information and shall not be held liable for the condition of wines or ullage which may differ from their description in a catalogue.

  - 6.7.2 Whilst payment for all lots (including lots of wine) shall become due and payable from the fall of the hammer, the sale between the buyer and the seller of any lots of wine will be deferred until the sale and distribution of alcohol is permitted in terms of the COVID-19 Lockdown Regulations. The perfection of the sale in respect of lots of wine shall take place as soon as the COVID-19 Lockdown Regulations allow for the sale of wine lots and the collection of the lots of wine from the storage facility referred to in clause 6.5.1.
